CURRICULUM QUESTIONNAIRES

Thank you to those parents who gave their opinions on what should be taught in school. There were 2 main suggestions: basic first aid and financial awareness. We plan to incorporate the first aid training into the 'Live Well, Live Long' curriculum foundation and we are working on building a progression of skills across the school. We are investigating if parents would be interested in starting a savings club for their children to develop their awareness of financial planning as well as introducing an Enterprise Week to learn more about money and its value.

Robin's winner was Dominic with Will as runner-up.
Sparrow's winner was Olivia with Alex as runner up.

Well done to everyone who entered this annual event. Below: pupils from Sparrows show off their bonnets.
