

Roseberry Primary & Nursery School

Behaviour & Positive Relationships Policy

Appendix 1

Wider re-opening of school

June 2020 (Covid-19)

These rules are based on the DfE's "Planning Guide for Primary Schools, 25 May 2020." School will be a different place when pupils return to school and the changes we have had to make in order to keep our school family safe are reflected in this appendix to our behaviour policy.

Expectations of Parents/Carers

- ONLY 1 Parent/Carer to enter school site to bring child(ren) to school
- Pre-school children to stay with Parent/Carer at all times (e.g. Buggy, holding hands, reins)
- Ensure social distance from other adults whilst waiting for doors to open – as per government guidance (please do not arrive too early to avoid congregation)
- Parents/Carers not to enter school building
- Collect your child as soon as possible if called regarding illness/symptoms
- Stick to allocated drop off/pick up times – if allotted time is missed, please do not bring your child into main reception until 9:30
- Parents/Carers to collect child if not adhering to new rules
- If parents are not sending their child/ren back to school, encourage children to complete work set by the teacher remotely or a work pack
- Parents to contact school if experiencing problems with remote education

Expectations of Children

- Children not to bring in anything from home except named filled water bottles and named packed lunch boxes/bags.
- Children to enter the building separately and patiently, queueing if necessary at a 2m distance
