

## Roseberry Primary and Nursery School

15th June 2023

A huge thank you to everyone who has donated resources for our OPAL playtime developments. We are hoping to set up some new areas for play very soon. We still need donations of old tyres. We have tried lots of local businesses already but we still need more so if you have any contacts, please let us know.

Best wishes, Mrs Dunn

# Roseberry's Got Talent!

Our first ever talent show was a huge success! We had amazing dancers, sensational singers, cracking comedians and actors, hilarious puppeteers and even some magic! It was absolutely wonderful to see the children being so brave on stage and having so much fun.

Thank you to everyone who worked hard to make this happen. We can't wait for next year!

## Comments from parents

Absolutely brilliant! All of the children showed real courage and did the school proud.

A really brilliant afternoon's entertainment showing a vast range of talent. It was amazing to see the participants' confidence as they did their performances. Every one of them on that stage was a star.

It was fantastic, stage looked fantastic! It was so lovely to see the children supporting each other as well!

Only to say how amazing it was and you could see how much hard work went into it. Roseberry is a school with heart and that definitely shone through today.

It was amazing put together really well by the team. The kids were fantastic. We were nervous for the kids going up on stage in front of everyone they were so brave!

# Celebrating the Coronation of King Charles III

We had a wonderful day celebrating the Coronation together as a school community. The children took part in an assembly involving our own coronation followed by activities throughout the morning. This culminated in a parade around the local community supported by many of our village residents. The children then had a lovely picnic in school afterwards. Y5 also visited Pelton Grange Care Home to celebrate with the residents.

Thank you to everyone who supported us with this and to everyone who helped to make a crown at home. It really was a lovely day to remember.

As one of my children is preparing to leave Roseberry I can honestly say he has had the best experience of nursery and primary school and it has really helped him become the amazing person he is today.

Love this school, approachable, supportive and fun!

Updates on lunch menus available would be great so I can encourage my child to try more of the hot offerings

The support and advice we have received from the school over the past 6yrs has been brilliant, they listen to concerns and act accordingly.

Communication on ClassDojo is good, parents are always reminded of upcoming events and updated about what is happening in class. My child's class teacher knows them well and how best to get the best from them. Roseberry has a lovely friendly, community atmosphere. I am glad I chose to send my child to Roseberry.

Communication could be better.
